

Welcome to the Waltham Farmers' Market!

Working together with local producers and small farms, our mission is:

- ◆ To provide access to healthy food in a safe and welcoming community space, including for low-income individuals
- ◆ To connect residents to government programs and local charitable organizations

Stay in the Loop! Sign up for our weekly newsletter to receive updates and market happenings:

Bring Your Furry Friends! We are a dog-friendly market. Bring your dogs and snap a picture of your furry friend in our doggy photobooth!

Enjoy Live Music! We have live music most weeks, adding to the vibrant atmosphere of our market.

SNAP Match at Our Farmers Market!

Do you have an EBT card? Use it at our market and get more for your money! We match up to \$15 per week—so when you spend \$15 in SNAP, you get \$30 in tokens to use at the market. *SUN Bucks are eligible for this match, but not for HIP.*

What Can You Buy with SNAP Tokens?

You can use your tokens to purchase a wide variety of household food items, including:

- ◆ Fresh fruits and vegetables
- ◆ Meat, poultry, and fish
- ◆ Dairy products
- ◆ Breads and cereals
- ◆ Snack foods and non-alcoholic beverages
- ◆ Seeds and plants that produce food for your household

What Can't You Buy with SNAP Tokens?

- ◆ Hard cider, mead, beer, wine, liquor, cigarettes, or tobacco.
- ◆ Vitamins, medicines, or supplements
- ◆ Live animals (except shellfish)
- ◆ Hot foods at the point of sale
- ◆ Nonfood items

Massachusetts Healthy Incentives Program (HIP)

No tokens needed! Use your EBT card with HIP farm vendors, and HIP will automatically put money back on your EBT card when you buy healthy, local fruits and vegetables.

Please note that SUN Bucks cards don't receive HIP benefits. More Info: www.mass.gov/info-details/massachusetts-healthy-incentives-program-hip-frequently-asked-questions

How HIP Works:

- ◆ Make sure you have SNAP benefits left on your EBT card. If your SNAP balance is zero, you won't be able to use HIP until you have SNAP benefits available again.
- ◆ HIP will instantly put the SNAP dollars you spend on HIP produce back onto your EBT card. The receipt shows the amount you have used so far in the current month. Once the SNAP money is back on your card, you can spend it at any SNAP retailer.
- ◆ Each household receives \$40/\$60/\$80, depending on household size, in HIP benefits per month.

Pro Tip: If you're running low on SNAP funds, buy your fruits and vegetables with HIP at participating farm vendors first, then get your SNAP match at the Info Booth.
